Re: PRN # 3071101

Dear Mr. Agnellini,

The staff of the Division of Gaming Enforcement's REB unit has reviewed the sample non-value chips manufactured by Gaming Partners International Corporation and received in this office on December 1, 2011. Specifically, Golden Nugget Atlantic City (GNAC) seeks sample approval of two (2) sets of non-value gaming chips. The sets have center designs that are numbered twelve (12) and fourteen (14) and will use in the game of roulette at GNAC.

Our review indicates that the sample non-value gaming chips of Tan, Navy Blue, Ice Blue, Butterscotch, Bronze, Canary Yellow and Lemon Green with a secondary color (edge spot) of white and contain the wording "Golden Nugget Atlantic City" and "Roulette" on both sides. As indicated in the previously submitted design schematics, the non-value gaming chips will have a diameter of 1 9/16 inches which is equivalent to 39mm, a thickness of .1299213 inches equivalent to 3.3mm and a mass of .3880136 ounces equivalent to 11 grams. Furthermore, our CCTV inspection of the sample chips indicates that the chips are acceptable for use.

After review it has been determined that the requirements of N.J.A.C.13:69 E -1.1(b) have been met and approval is hereby granted to manufacture these chips.

Pacifico Agnellini, Esq.
